

STATEMENT OF PURPOSE

RS19087

This bill provides additional funding to the Superintendent of Public Instruction to coordinate a review of the pupil transportation program. Funding would be used to pay primarily for travel, per diem, and operating costs for participation by school district transportation directors and other experts in this field. Outcomes should focus on opportunities and incentives to operate cost-effective and safe public school busing operations and any recommended changes to Idaho Code. Results and recommendations from the review shall be presented to the germane committees and the Joint Finance Appropriations Committee during the FY 2010 legislative session.

FISCAL NOTE

This bill appropriates \$20,000 from the Public Education Stabilization Fund.
